

FUNDS PROTECT

phishield

PROTECT YOUR MONEY AGAINST FRAUD

Funds protect covers both Individuals and Businesses against the Loss of Funds due to fraudulent transactional activity

EFT FRAUD

A transfer of funds to a fraudster or transactions not authorised by you

CYBER FRAUD

Doing your shopping online or simply catching up on your banking activities. Your details could be compromised during the transaction

ONLINE FRAUD

From phishing scams to malware attacks, your personal information could be stolen from your device

PROTECT ME

Protect yourself against the following financial losses caused by cyber criminals

FAKE ONLINE CLASSIFIEDS

Fraudsters place fake advertisements on Gumtree or OLX to defraud unsuspecting buyers.

HOLIDAY SCAMS

Any travel purchase is an act of good faith, because you usually pay a sum of money upfront and can't check the validity thereof, until you turn up.

BOGUS PROPERTY RENTALS

Fraudsters pose as landlords and dupe would-be tenants into transferring deposits for fake lease agreements.

INVESTMENT SCAMS

Investment scams could result in you losing your life savings.

FRAUDULENT ONLINE PURCHASES

Your information and funds are used to purchase goods online.

ATM FRAUD

Card skimming, card swapping, ATM "shoulder surfing" and card trapping are real threats to everyone.

PROTECT MY BUSINESS

Most dispute cases referred to the Banking Ombudsman are found in favour of the banks, not to mention the time and effort spent to try and recoup these losses. Your funds can be stolen via the following means

ONLINE BANKING FRAUD

Your banking profile is breached and money is transferred without your knowledge.

PHISHING SCAMS

Fraudsters con you into providing your personal information and use it to perpetrate fraud.

MALWARE & VIRUS ATTACKS

Malware or viruses unwittingly downloaded onto your computer or device that harvest your data.

FRAUDULENT INVOICES

Scammers con you into making payment by sending out fake invoices pretending to be from a reputable supplier.

HACKING ATTACKS

Fraudsters con you into providing your personal information and use it to perpetrate fraud.

ATM FRAUD

You refund money "deposited in error" into your account only to discover the money was never deposited in the first place.
